

HEROES WALK TO FLY

VIRTUAL EVENT TOOLKIT

October 1 - 15, 2021

ABOUT LUKE'S WINGS

Luke's Wings was **founded in 2008** after learning that the government does not always provide flights for immediate family to be bedside after a service member is injured. This is where Luke's Wings steps in to **fill the gap** for the months and years ahead.

Our mission is to provide complimentary airfare to reunite wounded, ill and injured service members and veterans with their loved ones during recovery and rehabilitation. These flights bring **mental, physical, emotional and financial support**, empowering wounded service members to overcome challenges they face every step of the way.

Our **goal for 2021 is to provide 2,000 flights** and we are more than halfway there. Your participation will help us meet this goal and keep our heroes flying!

SAMPLE EMAIL

Use this email template to send to your family and friends asking them for their support as you walk so other's can fly! This email template will be loaded into our site, allowing you to send to your contacts directly from your fundraising page, should you choose.

Dear Family & Friends,

I am writing to you today about an organization and effort that is close to my heart: Luke's Wings, an organization dedicated to reuniting wounded, ill, and injured service members and veterans with their loved ones by providing complimentary airfare during recovery and rehabilitation.

As we commemorate the 20th anniversary of 9/11, Luke's Wings has decided to hold their annual Heroes Walk to Fly event virtually, meaning people from all 50 states will be walking to support our warriors in need.

In solidarity with our service members, I am participating in the virtual Heroes Walk to Fly event this October, walking 2 miles between October 1st – 15th. **Will you join me by registering or making a donation, of any amount, to support my walk?**

Luke's Wings has set a goal of raising \$50,000 through this year's event and I have personally set a goal to raise [\$XXXX]. With the average cost of a flight valued at \$350, \$50,000 will provide an average of 143 flights and my goal of [\$XXXX] will provide [GOAL DIVIDED BY \$350 avg flight cost]. My donation page can be found by clicking here: [INSERT PERSONAL FUNDRAISING PAGE]

Thank you in advance for your support, I am incredibly grateful!

Sincerely, [NAME]

With your support, I have raised [\$X] to help Luke's Wings provide complimentary airfare to wounded, ill and injured service members and their loved ones during recovery and rehabilitation.
